

Zero Emission Vehicle(s) Verification Form

The Personnel Department Commute Options and Parking Section issues parking permits to qualified employee vehicles in accordance to the terms and conditions of the City's Special Memorandum of Understanding on Commute Options and Parking (Parking MOU). Included among eligible permit types are permits for electric vehicles. Electric vehicle permits are granted for zero emission vehicles as identified by the California Air Resources Board Eligible Vehicle List. Employees who wish to apply for electric vehicle permits must complete a (1) Parking Application and (2) Electric Vehicle Verification form.
